

COVID-19 SAFE PLAN

I am committed to providing a safe environment for both my clients and myself

The Salon

- All services are safe and compliant with the current ACT Government COVID19 restrictions.
- Strict Physical Distancing guidelines will be adhered to as much as is possible during services.
- All surfaces and equipment in the salon will be thoroughly sanitised and disinfected after each treatment.

Your Aesthetician

- I have undertaken industry-specific Infection Control training (2 hours) as well as general COVID19 Infection Control Training (30 minutes) with the Australian Government.
- I guarantee that your service will be completed with professionalism while maintaining your safety and hygiene.

The Treatments

- I have reviewed the treatment options and removed those that do not fall under the current health and safety regulations.
- I will wear gloves, a mask and other Personal Protective Equipment (PPE) where required. I will regularly wash my hands before and after treatments.
- PPE will be replaced or if possible, sanitised and disinfected after every treatment

Guest Arrival

- You will be greeted warmly, however there will be no handshakes or personal contact.
- Please remove your shoes prior to entering, bring them in with you and leave them on the shoe rack at the door.
- Your hands will then be spritzed with sanitiser, and you will be given a mask if you did not bring one.
- I ask that you prepay for your appointment or by card in-salon. Cash is not accepted at this time.

I kindly ask that you...

- Please arrive five (5) minutes before your appointment time.
- Wash your hands and/or apply hand sanitiser as directed before and after each treatment.
- Wear a face mask
- Contact me and reschedule your appointment ahead of time if you are feeling unwell, have a temperature, or if any person in your household has the same or is self-isolating.

DO NOT COME TO THE SALON IF YOU OR ANYBODY IN YOUR HOUSEHOLD IS SELF-ISOLATING OR IS DISPLAYING SYMPTOMS KNOWN TO BE CONSISTENT WITH COVID-19
